Dear Neighbors,

Our homes are the one place where we should feel safe and secure. We also expect that our precious belongings will also be safe. Recently, several of our fellow neighbors have had their homes burglarized.

Given the recent flurry of break-ins in the neighborhood, we felt that it is timely to invite Lt. Weger and Ms. Gaddis to speak, as this is a topic of interest to most residents. However, Neighborhood Watch has to be organized at a street or block level and cannot be done by MNA as a whole. Our goal in arranging speakers on Safety and Crime prevention is to provide information to interested groups in the neighborhood and enable them to start programs. We hope that members will take advantage of this opportunity and support MNA in its efforts.

We look forward to seeing you on April 18th.

January General Meeting at Cicero's Pizza

If you weren't there, then you missed a fun meeting. The meeting was well attended and everyone had a good time eating pizza and sharing his or her experiences in the neighborhood.

Services List

We would like to start gathering names of services that you are willing to recommend to your neighbors. For example, if someone recommends a plumber, electrician, roofer, handyman, gardener, solar, heating & A/C etc., we would like to be able to share that information, and perhaps they will offer a discount. Send your recommendations to dorislive@sbcglobal.net, Subject: Recommend for MNA

E-Waste

THANK YOU NEIGHBORS

Thank you to everyone who donated to our neighborhood e-Waste pickup on February 11.

We had a very good turnout despite the rain. The profit from this event will be used for our annual picnic in July. We hope we helped you to empty out some relics from your garage.

We are also planning a neighborhood garage sale in June for your own profit, so start your Spring Cleaning.
