Dear Neighbors,

As we enter a new year, we should reflect on how lucky we are to live in a great neighborhood like Murdock. As we rush through our busy day with work, school, and all the other activities that we are committed to, we sometimes forget to slow down and have some fun. Fun is going to be the theme for 2012. We are going to kick things off by having a pizza social at Cicero's Pizza. Please come out in a relaxed environment and meet your neighbors, have some good pizza, and get caught up on what is going on in your neighborhood. In order to manage the amount of pizza that we are purchasing, we are providing pizza for the adults only. You can still bring the kids, but you will need to purchase their food.

If you have any ideas of fun ways to bring the neighborhood together, please contact us. We would love to hear it.

Here is your new board for 2012.

#### Lights Contest

Thank you to everyone who drove around and sent in nominations for best lights in our neighborhood. Within our small neighborhood we had some fabulous Christmas light displays. It was difficult picking a winner. The most nominated house was 5598 Castle Glen, but since they were last year's winner, we decided to pick someone different this year. Below is a list of the houses that were nominated; they are all great. And the winner of a Safeway gift card is:

**1269 Glen Haven - A nice use of white lights and colorful tree in the window**
